On May 20, 2022, Jen Ammon of Ponderosa 2D, requested the Board grant an exception to the pet policy for a renter.

Jen stated, "This renter has been coming to Ponderosa for SO long that I'd love to be able to allow him to bring his dog, especially since he says his dog will go to work with him every day. The dog, a 5-year old Golden Retriever, will always be with the renter or his wife and will never be left alone."

The renter is a Clinical Professor of Science Education at the University of Iowa. He has been bringing a group of students to Crested Butte every summer for a geology course for at least ten years.

The request was presented to the Board and was approved by email vote.

Respectfully submitted,
